

# QIPU TEAMS

Changing the world is easy

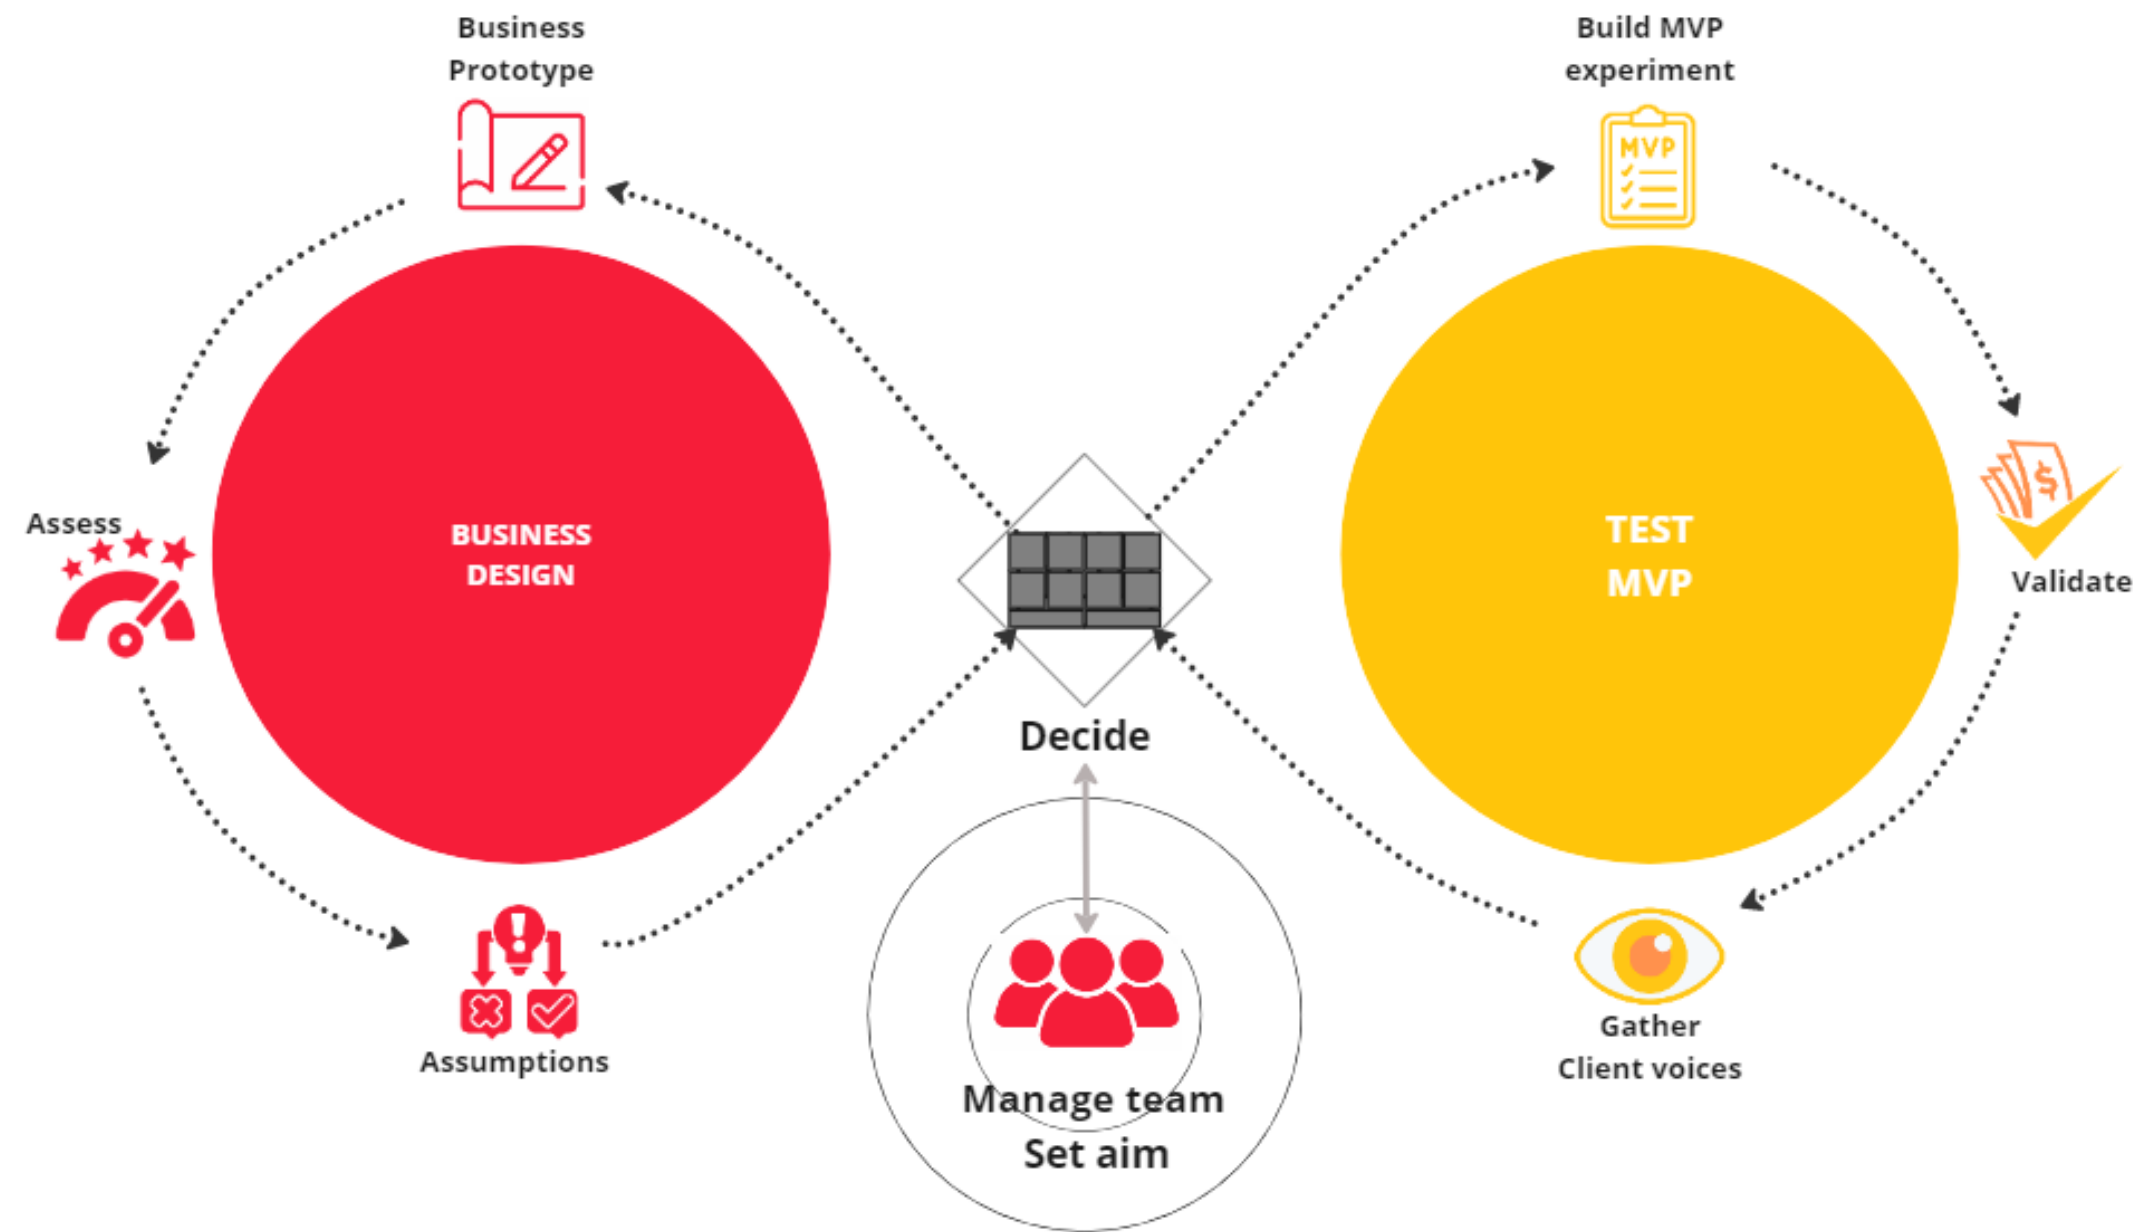

Start-up validation  
Guide

To make your dreams happen  
You will need 2 things:

## Lean start-up method

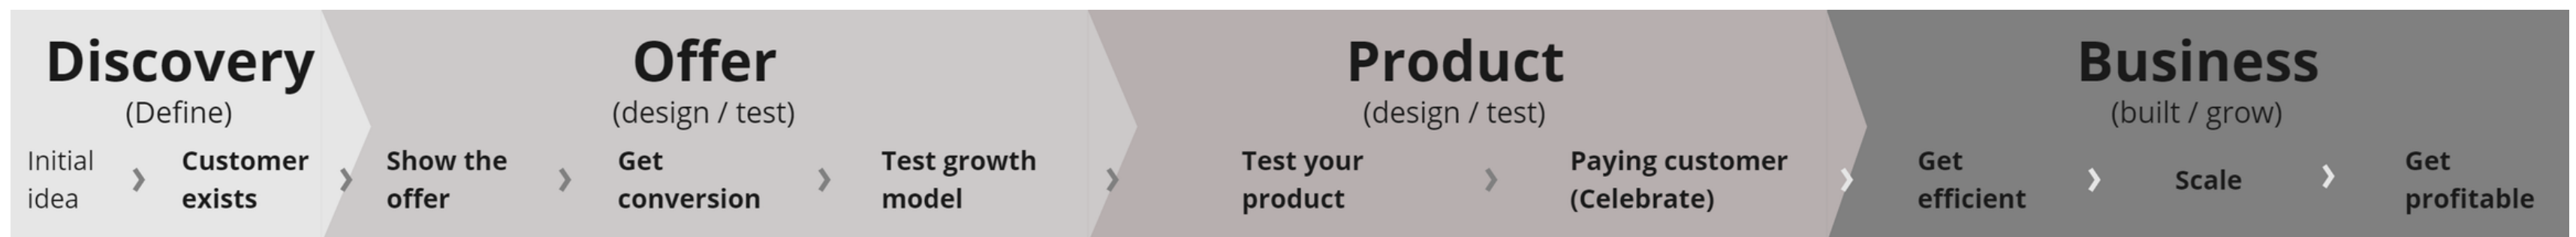

To rapidly  
test and  
learn

And as the second thing  
a good game plan:

## Lean start-up phases

To know what to focus on  
and when

Everything else is just a matter of trying

All you need to change the world  
Split into 6 parts for focused learning

# Thanks for reading trough

To change the world can not be just for crazy and rich, we make it mainstream.

This is our gift to all star-ups that feel tiny bit stuck.

You are welcome :-)
